Re: Mid-Atlantic Dental Letter of Recommendation of microSURE All Purpose Cleaner & Disinfectant

We are a regional dental support organization with over 160 locations for which we provide business management services to these practices across the eastern seaboard, allowing them to focus on patient care. One of the operational areas we focus on ensuring that our practices can function efficiently, cleanly, and safely.

I write this letter in strong support of microSURE All Purpose Cleaner & Disinfectant, which we sampled in over twenty of our locations in early June of this year. After extensive testing and use, we are extremely satisfied with the product and are in the process of distributing microSURE to all of our practices in order to continue to provide the highest level of patient care possible.

Please feel free to use Mid-Atlantic Dental as a reference if any prospective clients have any questions concerning the usage of microSURE All Purpose Cleaner & Disinfectant or the high level of service which ServisMed provides to its customers. My email address is joneil@mid-atlanticdental.com or I can be reached at (734) 341-0442.

Sincerely,
