Re: Gulf Breeze Gymnastics Letter of Recommendation: 8-Hour Defense Hand Sanitizer and microSURE All Purpose Cleaner & Disinfectant

We are the leading competitive gymnastics team in the Panhandle of Florida, based in Gulf Breeze. After Governor DeSantis first allowed our facility to reopen, we contacted and purchased disinfectant and hand sanitizer through ServisMed, LLC in order to ensure the health of our gymnasts.

After using the product for many months, both with regular fogging applications (which we have performed monthly in accordance with the manufacturer's procedure) and utilizing the hand sanitizer in our dispensing machines, we have nothing besides exemplary comments for the products.

Please feel free to use me as a reference, especially if anyone in the gymnastics or athletic space is looking to speak with someone about the long-lasting products ServisMed offers. I can be reached at [coachpaul.gbgymnastics@gmail.com](mailto:coachpaul.gbgymnastics@gmail.com).

Thank you,

*Paul J Miller*
